

# TRAINING ADVISORY

**COURSE:** Virginia Pre-Hospital Information Bridge  
(VPHIB) Service Bridge T-t-T

**DATES:** September 11, 2010

**TIME:** 0800-1700

**LOCATION:** Loudoun County Fire and Rescue Training Center

**REGISTRATION:** No TD-TR required, just show up on time

**SPECIAL INFORMATION:** This software will allow the transport units to complete an ePCR and they will cease completing another program at the station for the OEMS reporting data. The non-transport units will continue completing a paper PPCR and will then input the data into the VPHIB program at the station (similar to what is currently being accomplished). This opportunity is for all agencies, not just transport companies. Personnel encouraged to attend are: QI/QA officers, trainers for the ePCR program, administrators and the responsible party for OEMS's required data. It is recommend that no less than 3-5 persons from a transport company and 2-3 from a non-transport company attend

**LCFR CONTACT INFORMATION:** Capt. Sean Scott at (703) 737-8324 or [Sean.Scott@Loudoun.gov](mailto:Sean.Scott@Loudoun.gov)
